1. Approval of the November 15th minutes:

Minutes were approved.

2. Announcements and comments:

Assad made the announcement that the undergraduate courses passed at the last meeting have been forwarded to the registrar's office.

The schedule for the spring 2008 semester looks like it will be the second Friday of each month but details will follow.

Dr. Beach will be exiting the committee and Dr. George Taylor will be taking her place representing ESGS.

The program form was approved with one minor change: the inclusion of the words "overlap with existing program."
