

**College of Science Curriculum Committee
Minutes of the September 17, 2008 meeting**

Members Present: Peter Becker, Geoff Birchard, Tim Born (chair), Rick Diecchio, Bob Ellsworth, Igor Griva, Dimitri Klimov, Barry Klinger, David Singman, George Taylor, Yuntao Wu

Guests Present: Greg Foster and John Schreifels (Chemistry)

Meeting called to order 3:06pm

1. Minutes

Minutes from 5.16.08 meeting approved

2. Announcements and Comments

Tim Born thanked everyone for being on the committee. With the new restructuring of the Geography and Earth Systems and Geoinformation Sciences into the Geography and Geoinformation Sciences Department, George Taylor will be the representative for the department.

Assad reported that all undergraduate courses have been submitted to the registrar's office. There are some concentrations that still need to be sent to the registrar's office.

Peter Becker reported that all courses sent to the graduate council were approved except for two: EVPP 526 and 632. Both courses were withdrawn.

3. Election of New Committee Chair

Tim Born will continue his role as the committee chair.

4. Meeting Schedule for the Fall 2008 Semester
