

**College of Science Curriculum Committee  
Minutes of the October 15, 2008 meeting**

**Members Present:** Geoff Birchard, Tim Born (chair), Bob Ellsworth, Igor Griva, Dimitri Klimov, David Singman, George Taylor, Yuntao Wu

**Members Not Present:** Peter Becker, Rick Diecchio, Barry Klinger

**Meeting called to order 10:26am**

**1. Minutes**

Minutes from 9.17.08 meeting approved

**2. Announcements and Comments**

Tim Born didn't have any comments. The times for meetings will be 10:30am on the dates (11.19 and 12.17) agreed to at the first meeting of the semester and held in the Science and Tech I Room 103 conference room.

Assad reported that there was a conversation going about the EVPP 355 and BIOL 355 crosslist. Since the meeting, that has been resolved and the forms were submitted to the Registrar's Office on 10.15.

The Graduate Council met later in the day. Everything that was brought forward passed including the new Chemistry Ph.D. program.

**3. New Business**

**Undergraduate Course Modifications  
MATH 203 and 322**

**Approved**

**Graduate Course Modifications  
CSI 796 and 996  
Approved**

**FRSC 530 and 690**

**Approved**

**New Graduate Courses  
BIOL 509 and 510**

**Tabled**

More time was given so that Bioinformatics could have a chance to look at the revisions to the proposal and make certain there is no overlap between its existing course and this one. Will be brought up at the next meeting.

**BIOL 590**

**Tabled**

**FRSC 600, 610 and 799**

**Approved**

**New Graduate Programs  
MS in Forensic Science**

**Approved**

**Meeting Adjourned 11:20am**
