## **1. COURSE NUMBER AND TITLE: CSI 729 Topics in Continuum Systems**

### **Rationale for course inactivation:**

The course changes the course number from CSI729 to CSI 629. The inactivation of CSI729 makes such change consistent, since a new course CSI 629 is being created at the same time.

By lowering the number to the 600-level courses, undergraduate students, primarily those in accelerated master programs, can register and take advantage of the content that the course brings to their programs.
