Course Proposal Submitted to the Curriculum Committee of the College of Science

Medical Laboratory Science (MLAB) requires students to take 1 year of class/clinical training at one of GMU's affiliated hospitals/university. In order for students to graduate with a BS in MLAB the affiliated schools must send the students grades in MLAB 401 -406 to GMU. Each school has a different name/course number for MLAB 401 – 406, however most of our affiliated schools will combine their class so that they will fit into our course numbers and send the grades to the register's office. (Please refer to the table below as to how the classes are combined.) However GWU does not do this and send the students transcript directly to GMU's register's office directly. This has created a major problem as often times the classes that are required for MLAB 401 are taken during different semesters. To fix this problem we are making MLAB 401 – 406 repeat able and for varying credit.

Grade for GMU Course	Apportionment from GWU Courses and Credits
MTCH 401 =	$(CLS\ 4118*1 + CLS\ 4140*3)/4$
MTCH 402 =	$[CLS\ 4128*2 + CLS\ 4129*2 + CLS\ 4162*3]/7$
MTCH 403 =	$(CLS\ 4120*1 + CLS\ 4165*1)/2$
MTCH 404 =	$(CLS\ 4125*1 + CLS\ 4126*2 + CLS\ 4127*1 + CLS\ 4163*1 + CLS\ 4160*3)/8$
MTCH 405 =	$[CLS\ 4123*2 + CLS\ 4124*2 + CLS\ 4164*4 + CLS\ 4151*3]/11$
MTCH 406 =	$(CLS\ 4122*3 + CLS\ 6201*3 + CLS\ 4161*4)/10$
