For Registrar Office's Use Only: Banner \_\_\_\_\_ Catalog \_\_\_\_\_

revised 11/8/11

---

## Justification

The two courses Math 491 and Math 492 are used as independent study reading courses. Each is repeatable for up to 12 credits. We have both courses so that a student has the flexibility to do more than 12 credits worth of reading courses. By increasing the number of allowable credits to 99, only one of the courses would be needed.
