## Course Change Proposal Submitted to the Curriculum Committee of the College of Science

### 1. COURSE NUMBER AND TITLE:

GGS 303 – Conservation of Resources and Environment to GGS 303 – Geography of Resource Conservation

### 2. CHANGE JUSTIFICATION:

The previous title was made quite some time ago and is now antiquated. The new title is more accurate to how the course is being taught, while staying true to the course's placement in the Green Leaf and Sustainability curriculums.

### 3. APPROVALS:

GGS Curriculum Committee – Nov 10, 2015

GGS Departmental Vote – Nov 11, 2015
