Course Change Proposal Submitted to the Curriculum Committee of the College of Science

1. COURSE NUMBER AND TITLE:

GGG 792 – Seminar in Earth Systems Science

2. CHANGE JUSTIFICATION:

This course was a requirement for the ESS Master's. Because of low degree enrollment, we have never taught the course as anything besides an individualized study. Now that the ESS degree has been revised to not include this course, we can safely remove it from the listings.

Approved by the GGS Curriculum Committee on Sept 8, 2015. Approved by GGS Department on October 14, 2015
