Field(s) of Study:

Class(es):**Level(s):****Degree(s):****School(s):****Catalog****Description:**

Involves off-campus, professional student work with approved agencies, institutions, non-profits, or businesses. Work must produce one or more academic products such as: comprehensive report, departmental presentation, poster, or article. At least one substantive piece of work will be assessed for each internship credit being undertaken. Scope of work, credits, and academic product(s) are determined in consultation with the internship instructor. Notes: Credit will be assigned based on the number of hours participating in the internship each week: 1 Credit = 4-6 hours/week, 2 Credits= 8-12 hours/week, 3 Credits= 12-18 hours/week.

Justification:

What: Updating the grading mode.

Why: This is an individualized internship, making it challenging to establish quantifiable parameters for student evaluation.

Does this course cover material which crosses into another department? No

Learning Outcomes:

Will this course be scheduled as a cross-level cross listed section?
