## Graduate Teaching Assistant Application AY 19-20

The Department of Computational & Data Sciences is seeking applications for Graduate Teaching Assistant (GTA) during the 2019-2020 academic year (Aug. 25, 2019 – May 24, 2020).

**This application is available to current full-time graduate students only**

**[Deadline for submission 5/01/2019](#)**

The GTA will be awarded a one-year contract which will include a stipend at the COS rate (currently \$18,000), up to 6 credits of tuition (at the in-state rate per credit, applied to out-of-state students as well), and the university's health insurance plan.

To apply, kindly fill in this form and attach the required documents (see instructions below).

**Last Name:**

**First Name:**

**G-Number:**

**Student Status: Full Time:**

**Degree Program:**

**Number of Graduate Credits (to date):**

**GPA:**

**Describe your English language proficiency level:**

Please note: GTA candidates will be required to pass the Classroom English Language Teaching Demonstration (CELTD) assessment. GTA contracts cannot be awarded to candidates who do not pass the test. For further details, please contact [nlapidot@gmu.edu](mailto:nlapidot@gmu.edu)

Please attach a letter of recommendation from your current advisor.

Please add a current CV, including the following:

- Any teaching experiences
- Publications (published or pending)
- Any research grants you received (or are pending)

Please submit form and requested attachments via email to: [nlapidot@gmu.edu](mailto:nlapidot@gmu.edu)
