Course Proposal Submitted to the College of Science Curriculum Committee (COSCC)

The form above is processed by the Office of the University Registrar. This second page is for the COSCC's reference.

Please complete the applicable portions of this page to clearly communicate what the form above is requesting.

FOR ALL COURSES (required)

Course Number and Title: EVPP 440 Field Environmental Science

Date of Departmental Approval:

FOR INACTIVATED/REINSTATED COURSES (required if inactivating/reinstating a course)

• Reason for Inactivating/Reinstating:

FOR MODIFIED COURSES (required if modifying a course)

- Summary of the Modification: Prerequisites need to be updated for ESP students to take this course
- Text before Modification (title, repeat status, catalog description, etc.): BIOL 308 or 310 or permission of instructor.
- Text after Modification (title, repeat status, catalog description, etc.): EVPP 301 or permission of instructor.
- Reason for the Modification: The current prerequisites were based on the BIOL 440 requirements. ESP
 has recently added EVPP 301, which provides an introduction to ecology, needed for this course, and all
 majors must take EVPP 301. They will then be prepared for Field Environmental Science.

FOR NEW COURSES (required if creating a new course)

- Reason for the New Course:
- Relationship to Existing Programs:
- Relationship to Existing Courses:
- Semester of Initial Offering:
- Proposed Instructors:
