Catalog Description:

Presentations in specific research areas in computational sciences and informatics by faculty and staff members and professional visitors. Notes: A maximum 3 credits of CSI 898, 899, and 991 may be applied to PhD.

Justification:

The colloquium is a forum to discuss topics related to the department of computational and data science. The new title better reflects the topics discussed.

Does this course cover material which crosses into another department?   No
