[Forensic Science Program](#)

Justification for
deactivation

This course was devised prior to the establishment of the Forensic Science Program and the B.S. in Forensic Science degree. This course was established as part of a minor in forensic science which was never offered. The current BS and minor in Forensic Science do not include this course because there is already a course dedicated to Forensic Chemistry FRSC 304 and we do not foresee the need for an advanced class in this coursework.

Are you completing this form on someone else's behalf?

Effective Term: Spring 2019

Subject Code: FRSC - Forensic Science

Course Number: 440

Bundled Courses:

Is this course replacing another course? No
