Catalog

Description:

Topics vary with instructor's specialty.

Justification:

This course number FRSC 515 is designated for Special Topics courses which can vary each semester. The number of credits was modified from 3 to a variable 1 to 3 credits that can be repeatbale within the term with a maximum of 21 allowbale credits to give the Forensic Science Program more flexibilty in topics that are offered as a Special Topics course and to allow students more opportunities to apply these credits to their degree.

Does this course cover material which crosses into another department? No
